

ABOUT THE COMPANY...

Bollinger Design Group is a full-service interior design firm specializing in both residential and commercial design. Since 1986, we have been established members of the Denver design community. Bollinger Design Group's residential specialties include partial or entire remodels of lofts, 1950's ranch style, historic and contemporary homes. We can supply plans and specifications, as well as purchasing for remodeling a single room or a whole house remodel. We can manage the construction or work with your contractor. We also specialize in kitchens, home theater and entertaining areas, master suites and baths. Our commercial specialties include interior design for small corporate offices, private clubs, churches, condominium common areas, bars and restaurants. Our design concepts are versatile and creative while remaining unique and cost effective, reflecting and enhancing the architectural elements of the space.

PAT BOLLINGER SIMPSON, ASID...

Pat has been owner and principal designer for Bollinger Design Group since 1986. She has been NCIDQ certified since October 1989 and is a Professional Member of the American Society of Interior Designers. She received her first Bachelor of Science Degree in Home Economics and a second Bachelor Degree in Interior Design. From 1987 – 1992, she was a member of the faculty at the Interior Design Institute teaching courses in Design History and Historic Preservation. Pat was featured in the international edition of *Who's Who In Interior Design* and her work has been published in *Colorado Homes and Lifestyles*, *The Denver Post* and *Rocky Mountain News*. Pat won a **Merit Award in Kitchen Design** in 2003, and a **First Place ASID Colorado Interior Design Award in Single Space, Private Area** for a master suite in 2005.

LYNN HEGSTROM, ALLIED ASID..

Lynn has been with the firm since 1999 and is an Allied Member of the American Society of Interior Designers. She holds a Bachelor of Fine Arts degree in Interior Design from the University of Denver. Lynn's background and strength are in kitchen design. She spent time as the graphic designer for "Printed in Aspen". Lynn and Pat were featured in the Home Front of the *Rocky Mountain News*, February 2007. The feature was on a whole house residential remodel with an addition, transforming a 1970's Mediterranean Ranch into a contemporary home with great functionality. She received the **Merit Award in Kitchen Design** in 2003 and **First Place ASID Colorado Interior Design Award in Single Space, Private Area** for a master suite in 2005. Lynn's work was featured in the *Decora Cabinetry calendar*, August 2003 and in the current sales catalog. Lynn has also been quoted in the *Boulder Daily Camera* for laundry rooms. Lynn is married and has four children.

OUR PAST PROJECTS...

We have had the opportunity to use our talents through a broad range of projects, from small residential to large commercial multi-use projects with budgets in excess of one million dollars. We have worked with Norstar Residential, LLLP (formerly B-Corp/HRT), completing the clubhouse at Rock Ridge, Tuscany at Evans, Riverwalk, Riverwalk Townhomes, Steeplechase, The Greens at Riverwalk, the Rio Grande and AT Lewis Lofts, the Lofts at the Denver, the Courtyard at Polo Creek, 2700 Cherry Creek Drive South, Condominiums at 335 Detroit and the Denver Corporate Offices of Norstar Residential, LLLP (formerly B-Corp/HRT). Norstar Residential, LLLP has relied on Bollinger Design Group to provide space planning, finish and color specifications, model home and sales office designs, color selections and furnishings.

Other commercial projects include;

- The Pinnacle Club (formerly the Petroleum Club)
- The renovation of First Presbyterian Church in Littleton and Highlands Park Presbyterian Church in Denver
- Several Doctor's offices in the metro area
- Fox Hill
- Avila
- The Environs
- Candlewyck
- Pinnacle On The Boulevard
- Colorado Federal Savings Bank
- The lobby and commons areas for the Bromley
- First Christian Reform Church.

We have been involved in many unique and exciting residential home remodels throughout the metropolitan area including kitchens, baths, basement finishes, dark rooms, specialty rooms and additions. We can supply plans and specifications, as well as purchasing for remodeling a single room or a whole house remodel.
