### ***Our Past Projects . . .***

We have had the opportunity to use our talents through a broad range of projects, from small residential remodels, to large commercial multi-use projects with budgets in excess of one million dollars.

Our commercial portfolio includes the clubhouse at Riverwalk, Riverwalk Townhomes, Steeplechase, The Greens at Riverwalk, the Rio Grande and AT Lewis Lofts, the Lofts at the Denver, the Courtyard at Polo Creek, Condominiums at 335 Detroit, and the Denver Corporate Offices of B-Corp/HRT.

Other projects include the renovations of First Presbyterian Church in Littleton and Highlands Park Presbyterian Church in Denver, several Doctor's offices in the Denver metro area, Fox Hill, Avila, The Environs, Pinnacle on the Boulevard, Face Designers Salon in Tamarac Square, Colorado Federal Savings Bank, and the lobby and common area for the Bromley, just to mention a few. Recently, we remodeled The Pinnacle Club Restaurant and Bar in downtown Denver.

We have helped with many home remodels and selections for finishes, furnishings, and appliances for new and existing homes. Our projects have included kitchen and bath remodels, basement finishing, room additions, whole house remodels, dark rooms, secret doors, pop tops, furniture layout and selection, media centers, and custom built-ins.
